

I love living in the Our Neighbor houses. I have a roommate named Jason. He is a Georgia Bulldogs fan and is really nice. Also, I get to try cooking for my roommates and learning how to live on my own has helped me learn to balance my bills and keep a clean room. Plus, I have some really wonderful friends. Nick comes over in the afternoons to hang out with us. And Michael and I watch a movie on Friday nights. Also, Squeaky and Mary Margaret are really wonderful directors. They always keep tabs on us and maintain a very wonderful business. Squeaky does cookouts and takes us out wonderful trips. Our Neighbor has been a wonderful experience for me.
